What does it mean to be a member of Ennis Golf Club?

OUR CLUB

Ennis Golf Club was established in 1907 and is conveniently located in Ennis Town. It is a members' Club and offers golf and a range of other activities to all age categories, Ladies and Gents, boys and girls.

OUR COURSE

Ennis Golf Club's investment in drainage and irrigation has resulted in a fully playable course all year round. Our course is designed to be competitive but also relaxing and caters for the requirements of our members and visitors.

ADULT MEMBERSHIP

Our adult members, Ladies & Gents, enjoy weekly golf competitions, many of which are open draws, while you can also enjoy competitive golf with your friends. A feature of our Club is the activity of our Senior golfers, both ladies and gents. They are an integral part of the Club and nurture the wonderful camaraderie that exists.

JUNIOR & STUDENT GOLF

Boys & Girls can join at eight years of age. Supervised golf is provided weekday mornings during holidays. Additional professional training is also provided. Juniors can participate in adult competitions when they achieve a competitive standard. The Annual Subscription is €100 up to age 12 and €150 thereafter. Reductions apply to additional family members. A Junior can progress on to Student membership which offers inter-club golf competitions. The Annual Subscription to age 30 is €300.
